

Boudoir Photography Service Agreement

(This agreement supplements and is entered into alongside the standard Iced Aperture Photography Service Agreement. Both documents apply to this session.)

Nature of the Session

This document is to ensure Client understands that this session involves boudoir, intimate, and/or artful nude photography. Client voluntarily consents to being photographed in this style, subject to the coverage level, poses, and wardrobe (or lack thereof) discussed and mutually agreed upon prior to and during the session, and may revoke consent at any time, for any reason, without requiring justification, and without consequence.

Age & Identity Verification

Client agrees to provide valid government-issued photo identification confirming they are 18 years of age or older prior to the session. A copy will be retained by the Photographer as required by law.

ID Provided by Client (initials): _____

ID Verified by Photographer (initials): _____

Privacy & Confidentiality

Images from this session are treated as confidential. Access is limited to the Photographer and, if applicable, a contracted retoucher bound by the same confidentiality terms. Images will not be shared, displayed, printed, or used in any portfolio, website, social media, or promotional material unless Client provides separate, explicit written consent via the Image Usage & Marketing Consent Release.

Model Release

Client is 18 years of age or older and voluntarily consents to being photographed in the style and coverage level discussed and agreed upon prior to the session. Client understands the nature of boudoir photography and consents to poses and wardrobe (or lack thereof) as mutually agreed upon during the session.

Coverage & Boundaries

Client and Photographer will discuss and agree upon acceptable poses, wardrobe (or lack thereof), and coverage level prior to the session. Client may request to stop, adjust, or skip any pose, at any time, for any reason, without requiring justification, and without consequence for making the request. Client has final approval over which images are retained versus deleted from the shoot.

Coverage & Boundaries discussed and agreed upon prior to session (initial to confirm):

Client (initials): _____

Photographer (initials): _____

Support Person

Client is welcome and encouraged to bring a trusted friend, partner, or family member to the session for comfort and safety. A support person may be present in the studio during shooting, or may wait nearby and be called in at Client's request, at Client's discretion.

Any support person present during shooting is asked to remain respectful of the working environment and is bound by the same confidentiality expectations described in the Privacy & Confidentiality section.

Iced Aperture

The following individuals, and no others, will be present during the session unless otherwise agreed in writing:
(Check all that apply)

- ☐ Photographer and Client only
- ☐ Photographer and a studio assistant/chaperone
- ☐ Photographer and Client's support person
- ☐ Other (specify):_____

Client (initials):_____

Photographer (initials):_____

Right to Pause or Stop

Client may pause or end the session at any time, for any reason, without requiring justification, and without consequences for making the request. Any deposit forfeiture in this circumstance is governed by the cancellation terms of the standard Photography Services Agreement.

Storage & Deletion

Photographer is committed to storing all images from this session securely. Files are kept on encrypted and/or access-restricted storage, are never stored on shared or publicly accessible drives, and are not uploaded to any online gallery, cloud service, or platform other than the private, password-protected delivery method used to send final images to Client.

Access to session files is limited to the Photographer and, if applicable, a contracted retoucher bound by the confidentiality terms described above. No other party will be given access to raw or edited files from this session under any circumstances without Client's separate written consent.

Client may request deletion of original files and/or delivered images at any time following final delivery by submitting a written request to the Photographer.

Acknowledgment

By signing below, Client acknowledges they have read and understood this agreement, are participating voluntarily, and had the opportunity to ask questions prior to the session.
