Pets

Cancellation & Rescheduling

Client cancellations made less than 48 hours before the scheduled session will forfeit the deposit. Client-initiated rescheduling is permitted once at no charge with at least 48 hours notice; the deposit will be applied to the new date.

If the Photographer must cancel or reschedule due to illness, emergency, or unforeseen circumstances, the Client will be offered a full refund of any payments made or a rescheduled session at no additional cost, at the Client's preference.

For outdoor sessions, Client is encouraged to check weather conditions in advance and dress accordingly. In the event of inclement weather, the Photographer will contact the Client at least 12 hours in advance (when possible) to reschedule at no additional charge. Minor weather changes (light wind, overcast skies) will not warrant rescheduling.

Consent & Image Rights

By signing this agreement, the Client(s) consents to being photographed and understands that all photographs taken by the Photographer are the sole property of the Photographer. The Photographer retains full copyright and ownership of all images created during the session.

The Photographer reserves the right to use selected images from the session for their portfolio, website, and social media accounts unless the Client(s) specifically requests otherwise prior to or at the time of the session.

The agreed upon price includes personal-use rights for the Client(s). This means the Client(s) may use the delivered images for non-commercial purposes, such as sharing on social media, printing for personal display, or using in personal profiles.

In order to preserve the intended representation of the Photographers work, photos may not be edited, filtered, altered, or cropped in any way without the Photographers written permission.

Commercial use (such as advertising, resale, or promotional use for a business) is not permitted without the Photographer's written permission.

Disclaimer & Refunds

The Client understands that the Photographer is still learning and developing their craft. Results may vary, and expectations should be based on examples of the Photographer's current work, which have been shared prior to the session and are publicly available.

All sales are final. Due to the time and effort involved, no refunds will be issued after a session has taken place. However, the Photographer is committed to fairness and is open to discussing reasonable solutions if the Client is dissatisfied with the results.

Liability

The Client participates in the session voluntarily and assumes responsibility for their own safety and the safety of their belongings during the session. The Photographer is not liable for any injury, loss, or damage occurring before, during, or after the session, except where caused by the Photographer's gross negligence.

Client-provided props or personal items brought for the session remain the Client's responsibility. The Photographer is not liable for loss or damage to personal items during the session.

Minors

If the Client is under 18 years of age, a parent or legal guardian must sign this agreement on their behalf, provide explicit consent for the session and the image usage terms described above, and be present during entirety of the photoshoot.
